Thursday 10 May 2012

Dear Media,

May 16th 2012 is a no-sit-day for Parliament and the Parliamentary Joint Committee will *NOT* hand down its findings publicly but simply post it on their web site. In light of this **VOFF cancelled its trip to Canberra.**

Regardless of what the findings will be, VOFF have more work to do, such as improving the security of superannuation in Australia.

Thank You  
Regards

John Telford - Secretary for Victims of Financial Fraud
