Subject: Mr Meerveld

To Don,

*"My name is Russell ••••• a member of VOFF, Victims of Financial Fraud Inc. John Telford our secretary has given us members a rundown on your situation in Guernsey, relating to your concerns about Mr Meerveld, who now resides in Guernsey and I believe holds some sort of authority over there.*

*As you are probably aware, hundreds of superannuation members lost their retirement savings in the Trio fraud here in Australia, I am one of those. Myself 71 years old and my wife 66 are now renting a house after loosing both investments and our home. I was an ordinary worker, driving trucks (long hours).*

*Our gate keepers in this country, allowed these people in and now will not help us to track down where the money went. We share your concerns about Mr Meerveld due to his association with Jack Flader, who master minded the Trio fraud.*

*We believe a thorough investigation into Mr Meerveld is warranted. We really appreciate the work you are doing over there Don and hope the Guernsey authorities are more prepared to assist you than the Australian authorities are about assisting us."*
